Reports

Treasurer's report - Doug emailed a report to the group. Balance in the account is \$3,122.49. Doug reimbursed the West Columbia new meeting \$50 for literature. Delegate payment of \$400.00 to WSO for the Conference will be due in December. Doug will bring 25 hard copies of the treasurer's report to the workshop.

Home groups - Jean reported there are 34 total meetings in the region. 30 groups meet in person. Jean requested that a new committee chair be found for the Home Groups Committee. Duties would be to maintain a google document list of all the region meetings, addresses, meeting GSRs and contact information. Jean maintains this list now but has a hard time with the technical part of keeping this list using google docs. Mike volunteered to take this over if no one else comes forward...or to help the new person if someone volunteers.

Website -Carol shared her report which will also be emailed to the region.
