We received \$733 in contributions and sent \$125 to WSO (2mos) from 3/9 till 4/12.

It was noted that funds sent directly to WSO are not assigned to a region. Educate home groups that when sending funds directly to WSO, the region is not notified and the money is not part of the region’s budget

Home groups using an EIN should monitor funds to stay below \$5000 threshold.
