Editing/remaking the World provided “Public Service Announcement”.

Phil sent an email to the GSR's who questioned the quality of the new announcement. He informed the GSRs to contact the WS Outreach Committee.

Follow up from 2026 East Coast Conference:

Tina reported lots of discussion on growth, growing the fellowship, being self-supporting (money, people, resources). Approximately 80 attended, with 60 registered. Only concern is we have no candidates for the World Service Board for 2027.

Phil to follow up with Georgia Chair (Emily) who is interested in putting together a 1-day workshop with NC/SC/GA regions.
